

Bar-T Windows, LLC Limited Lifetime Warranty

Vinyl Frames and Sashes – Lifetime Protection: Vinyl will be free from chipping, cracking, peeling and blistering.

Parts and Components – Lifetime Protection: Moveable parts and components will function fully as intended under normal working conditions.

Fiberglass Screening – Lifetime Protection: Fiberglass material will not rust or rot.

Double-pane Glass – Lifetime Protection: Seal will protect internal glass surfaces from moisture and film. (Glass breakage is not included.)

“Lifetime Protection” is provided to the original homeowner only and is not transferable.

Caution: Screens are easily removed and are not intended to serve as safety restraints.

Declarations and Limitations

This warranty covers only manufacturing defects. All other causes for materials failure including, but not limited to, damage due to faulty installation, accidental or intentional damage, settlement of the building, atmospheric pollution, normal weathering of the surfaces such as fading or color change, or other causes beyond the control of Bar-T Windows, LLC (“Bar-T”) are not covered. Fire, flood, lightening, hail, windstorm, earthquake or other acts of God are excluded from this warranty.

The insulated glass unit is warranted against defects resulting in material obstruction of vision from film formation caused by dust or moisture in the air space of the sealed unit. Slight glass curvature, minor scratches or other imperfections in the glass that do not impair structural integrity or significantly impair vision are not covered in this warranty. Condensation on the exposed surfaces of the glass and/or framing materials is a natural result of excessive moisture in the house and does not indicate a defective product or faulty installation. Decorative glass is warranted against seal failure for five years.

This limited warranty is made in lieu of all expressed warranties and extends only to the original consumer's purchases. In no event shall Bar-T be liable for special, incidental or consequential damages or for any delays in the performance of this warranty due to circumstances beyond our control. No dealer or distributor has the authority to alter or change this warranty either orally or in writing.

Bar-T may charge an inspection fee for any on-site inspection that is required or requested by you. If it is determined the product has a manufacturing defect covered by this warranty, the inspection fee will not be charged. Upon determination of a defect, Bar-T will repair the installed product or provide a new product at Bar-T's discretion. This warranty does not obligate Bar-T Windows, LLC to bear the cost of any labor for removal, installation, transportation or shipping costs of any product or component required or replaced.

Bar-T reserves the right to discontinue or change any manufactured product of the company. If a part or component of a defective product is not available, Bar-T reserves the right to substitute such part or component for another.

Any claims for defects under this warranty should be submitted in writing to the manufacturer, Bar-T Windows, LLC, 7714 Camp Bowie West Blvd. Fort Worth, TX 76116, or contact the dealer through which our products were purchased. The purchaser must prove in a reasonable manner the information requested in the warranty registration. When notifying the company about your claim you must identify the product involved, and the date and place of purchase. Describe the defect (sketches and photographs are helpful), identify persons who have already been contacted, and record what attempts have been made to correct the problem.

This limited warranty is effective for all Bar-T windows sold after September 1, 2014.
